Daniyar Makarimov

@makarimoov

With over 9 years of experience in graphic and motion design and more than 5 years in marketing, I have collaborated with companies such as Sensata Group, BI Group, Appazov, Sandybay, and others.

Education: Eurasian National University (2017–2022), Architecture
Workplace: Sandybay LLP (2020–2023) — Head of Graphic Design Department
DOS Ortopedia (2023) — Art Director
Tortay Engineering Co. (2023) — Concept Architect
Sensata Group (2023–2025) — Motion Designer, Marketing Department
Grand Building Group (2025) — Marketing Director

Founder of the architectural bureau Outline Studio, D7 Render, and makarimoov design. Since 2023, I have been a partner at KOZ Interior and KOZ Project.

I have been involved in the development of visual identity and branding for numerous brands across Kazakhstan, as well as in their marketing and promotion.
